(FOR PRESENTATION BY BOARD TO SHAREHOLDERS AT AGM IN MARCH 2015)

Corporate Governance Report for the year ending 31st December 2014

CONTEXT

The Corporate Governance Code of the Kingdom of Bahrain (the “MOIC Code”) was issued in 2010 by the Ministry of Industry and Commerce (the “MOIC”). The Code requires public companies to adopt written corporate governance guidelines covering the matters stated in the Code, and to report annually to their shareholders on their compliance with those guidelines and with the Code, and to explain to the shareholders if it has varied them or believes that any non-compliance was justified.

In July 2011, the Central Bank of Bahrain (the “CBB”) issued the Corporate Governance Module (the “CBB Module”) under the Capital Markets section of the CBB Rulebook. Certain sections of the CBB Module are extracts or expansions of the requirements found in the Code, and apply to all listed companies. Companies are required to report and explain any areas of non-compliance by way of an annual report to Shareholders and to the CBB. The CBB Module has been revised in subsequent years.

This report sets out Alba’s report as required by both the MOIC Code and the CBB Module. Corporate Governance Reports for this and for prior years, as well as Alba’s Board approved Corporate Governance Guidelines can be viewed by visiting Alba’s corporate website at www.albasmelter.com

REPORT ON COMPLIANCE

Alba currently complies with all the elements of the MOIC Code, and the CBB Module, with the exception of certain areas of non-application as explained below:

1. The MOIC Code and the CBB Module state that *the Nomination and Remuneration Committee (NRC) should include only non-executive directors of whom a majority is independent directors and the chairman is an independent director*. The reason given is so that *members exercise judgment free from personal career conflict of interest*. Currently, per the collective definitions in the MOIC Code and the CBB Module, one of the members is classified as executive due to the fact that he holds a management position in a controlling shareholder. The Alba Board has reviewed this situation and is of the opinion that the specific circumstances that lead to the member’s classification do not present actual conflicts of interests with the activities of the NRC, as they do not impair the member’s abilities to exercise judgment free from personal career conflicts.
2. As permitted by 2012 changes to the CBB Module, directors’ remuneration is only provided in aggregate in the following pages, and is not detailed at an individual director level. Information regarding Executive Management Remuneration divided into salaries, perquisites, bonuses, gratuities, pension and any other components, which is now only requested in aggregate in the CBB Module, is not disclosed in this report but may be available for inspection through the Corporate Secretary of the Company subject to prior approval of the Chairman of the Board. (We report this matter only because the MOIC Code requirements have not been updated to align with the CBB Module requirements).

1.	Shaikh Daij Bin Salman Bin Daij Al Khalifa	✓ Chairman		✓ Chairman	✓ Chairman	Independent Non-executive	
2.	Yousif A. Taqi	✓	Chairman				
3.	Osama M. Al Arrayedh	✓		✓			
4.	Dr. Mohamed S. Kameshki	✓			✓	Independent, Non-executive	
5.	Anthony L. Robinson	✓	✓			Independent, Non-executive	Executive in sovereign Shareholder (Mumtalakat). CBB Module provides an exception whereby directors would not be classed as Executives in cases where they are Executives of a controlling sovereign company or government ministry.
6.	Fahad N. Al Hazzani	✓	✓			Independent, Non-executive	
7.	Mutlaq H. Al Morished	✓			✓	Not independent, Executive	Executive in a listed Shareholder. (under section HC-B.3) The CBB also confirmed that the CBB position is the same as that set out in the Corporate Governance Code, i.e. a deemed Executive can never be classed as independent.
8.	Abdulaziz S. Al Humaid (Elected Director)	✓	✓			Not independent, Executive	As above in row 7 and a Director of GARMCO, a customer of Alba.
9.	Fahad S. Al Sheaibi	✓		✓		Not independent, Executive	As above in row 7.
